Reference Invitation For Bids documents dated August 2, 2017.

The attention to bidders submitting bids for the above subject project is call to the following addendum to the Invitation For Bids. The items set forth herein, whether or omission, addition, substitution, or clarification are all to be included in and form a part of the bid submitted.

THE NUMBER OF THIS ADDENDUM (1) MUST BE ENTERED IN THE APPROPRIATE SPACE "B" PROVIDED AFTER THE WORD "NUMBERS" OF THE CONTRACT FORM ENTITLED "FORM FOR GENERAL BID," AND IN SPACE "B" OF THE "FORM FOR SUB-BID."

Questions:

1. Please clarify 120 calendar day time of performance and how weather delays will be addressed.

Answer:

Section 3.13 Time of Performance in the Invitation For Bid contains an error. The correct Time of Performance is 120 work days from the notice to proceed. In the event that nighttime temperatures drop below freezing prior to the end of 120 work day then the Time of Performance shall stop and will restart when nighttime temperatures return to above freezing in the spring.

2. Will the town waive permit fees.

There will be no permit or permit fee requirement.

Omission:

Text was inadvertently omitted for the original Invitation For Bid in Section 6. paragraph E Unit Prices. The following text is added to the end of paragraph:

Item #1: Rebuild 30 sf of granite site wall @ \$_____ per sf = \$_____

All other portions of the Invitation For Bid documents remain **unchanged**. Please be reminded to acknowledge this Addendum on the bid forms.
