

TOWN OF BRAINTREE

IN COUNCIL

ORDER NO: 09-015A

DATE: MAY 12, 2009

ORDERED: NATIONAL GRID

PETITION OF NATIONAL GRID FOR GAS MAIN LOCATIONS

The National Grid hereby respectfully request your consent to the locations of mains as hereinafter described for the transmission and distribution of gas in and under the following public streets, lanes, highways, and places of the Town of Braintree and the pipes, valves, governors, manholes and other structures, fixtures and appurtenances designed or intended to protect or operate said mains and accomplish the objects of said Company; and the digging up and opening the ground to lay or place same:

To install and maintain approximately 550 feet, more or less of 2 inch gas main in President Road, Braintree.

From the existing 2 inch gas main at Stedman Street and School Street West Northerly to 108 President Road all of which to replace and abandon the existing 1 ½ inch gas main in President Road, Braintree.

Petition #09-015 was unanimously approved by Council with the following conditions:

- A. President Road has been resurfaced within the last six years. It was a complete reconstruction project that included early utility coordination opportunities where if really needed, the replacement of the gas main could have been accommodated without digging up a "new" road. The gas company at that time elected to do nothing. Even during construction, when Engineering Division personnel notified gas company representatives of gas odors in the area, no replacement plan or other response was initiated. We are now presented a proposal that would, without proper remediation, rapidly accelerate deterioration of the roadway pavement. Therefore the petition should only be approved on the condition that

- B. **All trenches shall be milled and overlaid five (5) feet in width with trench repairs signed-off by the Braintree DPW.**

Passed in Council – September 15, 2009

A True Copy, Attest:

A handwritten signature in black ink, appearing to read 'J. F. Powers', written over a horizontal line.

Joseph F. Powers, Town Clerk
