

TOWN OF BRAINTREE

IN COUNCIL

ORDER NO: **09-042A**

DATE: JUNE 4, 2009

ORDERED: NATIONAL GRID

PETITION OF NATIONAL GRID FOR GAS MAIN LOCATIONS

The National Grid hereby respectfully request your consent to the locations of mains as hereinafter described for the transmission and distribution of gas in and under the following public streets, lanes, highways, and places of the Town of Braintree and the pipes, valves, governors, manholes and other structures, fixtures and appurtenances designed or intended to protect or operate said mains and accomplish the objects of said Company; and the digging up and opening the ground to lay or place same:

To install and maintain approximately 880 feet, more or less of 2 inch gas main in Fountain Street, Braintree.

From the existing 2 inch gas main at Pearl Street Southerly to Sagamore Street and approximately 445 feet more or less of 2 inch gas main in Victoria Avenue from the proposed 2 inch gas main in Fountain Street Easterly to #60 and 490 feet more or less of 2 inch gas main in Boscobel Street Easterly from the proposed 2 inch gas main in Fountain Street to #40 and 775 feet more or less of 2 inch gas main in Columbus Avenue Easterly from #14 to the proposed 2 inch gas main in Fountain Street and on to #76 and 520 feet more or less of 2 inch gas main in Sagamore Street Easterly from #19 to proposed 2 inch gas main in Fountain Street and on to #56 Sagamore Street. All of which to replace and abandon the existing gas mains in Fountain Street, Victoria Avenue, Boscobel Street, Columbus Avenue and Sagamore Street, Braintree.

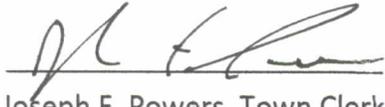

Petition #09-042 was unanimously approved by Council with the following conditions:

09-042 – Fountain Street, Victoria Avenue, Boscobel Street, Columbus Avenue and Sagamore Street were all completely reconstructed five years ago and just got off the five year moratorium. Except for some subsequent emergency gas leak repair trenches, the roads and sidewalks are in excellent condition. The curbs and sidewalks shall not be disturbed. New service lines if needed must be installed using trenchless procedures.

Victoria Avenue shall be excluded from the petition. NationalGrid shall notify in writing each homeowner on Victoria Avenue informing them that any requests for future gas services shall be at the homeowner's expense. Further, all trenches shall be milled and overlaid five (5) feet in width with trench repairs signed-off by the Braintree DPW.

Passed in Council – September 15, 2009
