Motion: by Councilor Kokoros

Second: by Councilor Bowes

Vote: For (8), Against (0), Absent (1-DeNapoli)

Mayor Sullivan commented that the financial position of the Town was better than most communities however, he cautioned, serious challenges lay ahead. Braintree was fortunate not to have closed any fire stations or layoff any police officers or teachers as many other communities were forced to do. Local aid for Braintree was reduced by \$2.3 million since 2009 and Quinn Bill funding ended. The Town needs to continue to look at ways to reduce costs and improve efficiencies.

Councilor Joyce asked the Mayor the status of the Snow and Ice Budget. Mayor Sullivan responded, although he did not have the most updated number, the \$500,000 budgeted has been spent. He would provide an update on the budget item later in the week.

Councilor Clifford commented on the difficulties the Town faced in finding reductions in a \$100 million budget versus the State's \$30 Billion budget. He asked the local legislators to work towards completely funding local aid funding.

OLD BUSINESS

- **10 078 Councilor Mullaney:** New Hire Documentation Policy

Councilor Dingee, Chairman of the Committee on Ordinance and Rules, reported that the committee did not believe there was a problem with the hiring process in Town but, because of the problems within the Probation Department, the issue of transparency with the hiring process in government was in question. The policy proposed by Councilor Mullaney provides information to Council Members on who has been hired; not getting involved with the hiring process.

Councilor Mullaney explained in the original proposal required resumes of new employees be read at the Council meeting and the new employee provide information on all political contributions they may have made to local officials. After review of the proposed ordinance the Committee determined that political contribution information is a public document and can be obtained from the Town Clerk's Office as well as resumes being available in the Human Resources Department. With the information available at Town Hall proposed ordinance was amended to only require resumes be made available to Council Members within 30-days of appointment.
