

# TOWN OF BRAINTREE

## IN COUNCIL

ORDER NO: 12-020

DATE: May 2, 2012

ORDERED: NATIONAL GRID

### PETITION OF NATIONAL GRID FOR GAS MAIN LOCATIONS

The National Grid hereby respectfully request your consent to the locations of mains as hereinafter described for the transmission and distribution of gas in and under the following public streets, lanes, highways, and places of the Town of Braintree and the pipes, valves, governors, manholes and other structures, fixtures and appurtenances designed or intended to protect or operate said mains and accomplish the objects of said Company; and the digging up and opening the ground to lay or place same:

**To install and maintain approximately 930 feet, more or less of 4 inch gas main at Liberty Street, Braintree. From the existing 3 inch gas main at House #341 Northerly to the existing 3 inch gas main at Mayflower Road and approximately 270 feet more or less of 4 inch gas main in Norfolk Road from the proposed 4 inch gas main at Liberty Street Westerly to the existing 2 inch gas main at House #16. All of which to replace and abandon the existing 3 inch gas main in Liberty Street and the existing 1 ½ inch gas main in Norfolk Road, Braintree.**

**Petition #12 020 was unanimously approved by Council with the following conditions:**

**DPW: Liberty Street from 341 to Louise Rd and Norfolk Rd from Liberty Street to #16. Norfolk Road has not been resurfaced recently and is not on the short list for improvement. It is our recommendation that this part of the petition should be approved with our "standard" repair specifications, with a final pavement being maintained flush with the surrounding pavement immediately (do not leave the trench down.)**

This section of Liberty Street was just out of the 5-year moratorium last January (2011) and is a main road in excellent condition. It is our recommendation that this part of the petition **should be approved with more rigorous repair specifications than our standard conditions, to include a final hot mix asphalt pavement at least 4" deep being maintained flush with the surrounding pavement for a year, and then 1 ½ inch grind and inlay curb to crown along the length of disturbance at the completion of the year. Area of Liberty Street is at the front of the Morrison School driveway and should be completed before school begins in September.**

ORDER FOR GAS MAIN LOCATION

Town of Braintree/ Town Council:

IT IS HEREBY ORDERED that the locations of the mains of the Nationalgrid for the transmission and distribution of gas in and under the public streets, lanes, highways, and places of the **Town of Braintree** substantially as described in the petition dated April 30, 2012 attached hereto and hereby made a part hereof, and of the pipes, valves, governors, manholes and other structures, fixtures and appurtenances designed or intended to protect or operate said mains and/or accomplish the objects of said Company, and the digging up and opening the ground to lay or place same, are hereby consented to and approved.

The said Nationalgrid shall comply with all applicable provisions of law and ordinances of the **Town of Braintree** applicable to the enjoyment of said locations and rights.

Dated this 28<sup>th</sup> day of June, 20 12.

I hereby certify that the foregoing order was duly adopted by the Town Council of the City of Braintree, MA on the 5<sup>th</sup> day of June 20 12.
