## IN COUNCIL

ORDER NO: 12-034

DATE: July 2, 2012

ORDERED: NATIONAL GRID

### PETITION OF NATIONAL GRID FOR GAS MAIN LOCATIONS

The National Grid hereby respectfully request your consent to the locations of mains as hereinafter described for the transmission and distribution of gas in and under the following public streets, lanes, highways, and places of the Town of Braintree and the pipes, valves, governors, manholes and other structures, fixtures and appurtenances designed or intended to protect or operate said mains and accomplish the objects of said Company; and the digging up and opening the ground to lay or place same:

**To install and maintain approximately 455 feet, more or less of 2 inch gas main at Thayer Road, Braintree. From the existing 2 inch gas main at House #39 Easterly to the end of the gas main at House #20 and approximately 205 feet more or less of 2 inch gas main in Atlas Road from the proposed 2 inch gas main in Thayer Road Northerly to the existing 2 inch gas main at House #12. All of which to replace and abandon the existing 2 inch gas main in Thayer Road and Atlas Road, Braintree.**

Petition #12 034 was unanimously approved by Council with the following conditions:

**DPW: Thayer Road and Atlas Road.** Atlas Road was recently reconstructed in 2003. It has been out of the 5-year moratorium since 2009, but remains in excellent condition. Thayer Road is scheduled to be reconstructed in 2013. It is our recommendation that this petition **should be approved for Atlas Road with more rigorous repair specifications than our standard conditions, to include a final hot mix asphalt pavement at least 4" deep being maintained flush with the surrounding pavement for a year (do not leave the trench down), and then 1 ½ inch grind and inlay to neat lines one foot beyond the trench limits at the completion of the year. Thayer Road should be approved with our standard conditions.**
